2020 Historic Picture Calendar

Created by the Blair Historic Preservation Alliance and the Washington County Historical Association

The 2020 historic picture calendar is in production and will be available for Christmas. This year's theme is ***"It Wasn't All Work! Social life of early Washington County."*** The calendar will feature fun and recreation of yesteryear – the civic clubs, summer fun and off-hours activities of our pioneer ancestors. It will be available at the Museum, the Chamber office, and at various retail locations in December.
